

Physical Education Excuses

- Physical Education excuses extending beyond three days require a physician's written order.
- A parent note excusing a student from physical education class is acceptable for one to three days.
- A student in possession of a doctor's note excusing them from P.E. class should report to the school nurse prior to first period.
- A student who has a doctor's note excusing them from Physical Education class should report to the gym each day for attendance. The student will then proceed to the library where they will be responsible for completing an alternate Physical Education assignment in lieu of participation in class.
